## INTERNATIONAL NETWORKING

- Fundamental concepts of networking. What it's for.
- Current strategy of participants. Diagnosis.
- Common mistakes.
- Building a personal brand.
- How to connect internationally.

## 02. TIME TO CHOOSE A PROJECT

- **Consultancy:** Local entrepreneurs will present their businesses directly to the students, offering an inside look into real-world challenges and operations.
- **Personal Project:** Students will have the opportunity to develop their own startup or business idea as part of the program
- **Green Project:** Students will have the opportunity to develop their own business idea with a focus on triple impact — generating economic value, creating social benefits, and promoting environmental sustainability.
